A MESSAGE FROM IAN

This coming Wednesday I am going into hospital for a hernia operation, so I'll be out of action for a couple of weeks. This, combined with a planned family holiday at the end of the month, means I will return to my church responsibilities at the beginning of June. I am very grateful to everyone who will be stepping in whilst I am away; to those who will preach and lead services on three Sundays, who will deputise for me at LunchBreak, and who will be working behind the scenes on many issues – including offering pastoral cover – many thanks to you all.

HYBRID ORGAN APPEAL

Please look at the display monitor in the hall vestibule and the latest email update for news on the amount raised to date. Thank you very much to everyone who has given pledges and donations - your generosity and commitment are very much valued.

At Sunday's Church Meeting there will be a full update on 'all things organ'.

FOR THE SYNOD ECO DAY AT AFC ON SATURDAY 13TH JUNE

We're asking for your photos of views, landscapes, nature or anything Eco related taken locally. During Opening Worship, which Ian will lead, there will be a Reflection on John Rutter's Anthem Look at the World. We wish to show photos during this reflection which highlight the local area (recognising the theme of the day is 'Nature on our Doorstep'). We would like you to share some of your photos with us so we can make up a photo presentation.

Please send your photos to Alison on:
admin@amershamfreechurch.org.uk or if, you wish, please put your photos on to a USB stick and hand the stick to Beverley or Alison (we will give you the stick back once we have downloaded the photos).

We look forward to seeing your photos.
