Thank you

### **BLISTER PACK RECYCLING**

Unfortunately Workaid have let us know that they are no longer able to accept blister packs from AFC for recycling. This is due to the donations being contaminated with general rubbish, which regrettably continued to be added notwithstanding clear notices that only blister packs are to be put in the bin. Workaid have thanked us for the recycling that has been given, but they are unable to accept any further donations. If you would like to continue to recycle your blister packs, there is a donation box in Boots
