SUNDAY 3rd MAY 4PM HYMN SING AT ST MARY'S, CHESHAM

To enable as many people as possible to hear a hybrid organ we are having a HymnSing at St Mary's, Chesham which has had a hybrid organ for many years.

Sean Groombridge, our organ consultant, will explain what a hybrid organ is, answer questions and play some music to listen to as well as our singing some hymns.

There is a notice on the hall vestibule noticeboard to sign if you wish to come along, including whether you can offer transport or would like a lift there. **We hope you will come along - it will last about an hour.**

HYBRID ORGAN APPEAL

We're getting closer to the target of raising £50,000 towards a hybrid organ.

Please look at the display monitor in the hall vestibule and the latest email update for news on the amount raised to date. Thank you very much to everyone who has given pledges and donations towards the project - your generosity and commitment are very much valued.

If you wish to chat through any aspect of the appeal, please speak with Beverley who will be pleased to talk with you confidentially. The appeal is managed by Beverley on a strictly confidential basis.
